Mr. Posey and Posey Funeral Directors, this video has touched my heart, I haven't been able to cry but this fills my heart so full of love from my Mother that I cry tears of grief, love and I just miss her so much. I am comforted by the truth that she is in Heaven with Jesus and all of her family she so loved while she was still with us on this earth. Certainly a life well lived full of her love for her entire family. Thank you. Your direction and guidance over these past few days have been so comforting!
