“ Miss Betty is the 1st person that I remember meeting when my family started attending Matlock. She was always smiling and so caring. I remember when I told her that Buddy and I were getting married. She was so excited for us that I thought she was going to do a dance in the parking lot. Of course we Southern Baptist don't dance. 😊. My thoughts and prayers are with the Greene family. I love you all. I will miss you Ms. Betty.

“ *My life was touched from the moment I met Betty Greene. She treated me like one of hers from the first time she met me, and I know to everyone she met. I'll miss just knowing one of the greatest pillars of our community has entered the gates of eternity. She blessed everyone she met and served them with southern Christian hospitality. I'll never forget her love for others. Praying for God's comfort for Mr. Cecil and her children and extended family through the years ahead.*

“ Betty you have blessed my life in many ways since I met you. Your beautiful friendship will be cherished forever. We had so many good times shopping, eating out, etc. I loved having you as my partner when we would play canasta, with Nell and Shirley. Your sweet ways have been passed from you to your children, grandchildren and now to your great grandchildren. You will be missed but never forgotten.

“ Betty and Cecil Greene (Junie, Joey, & Nancy)...you were a huge part of my childhood. Going to church and Sunday nights at rotating homes is something I will always remember and cherish. A pillar of our community, Betty will always be with us...her sweet smile, her compassion, her reminder of what is right, her quick laugh, her wisdom and quick wit will forever live. And oh yeah, did I mention the bread?! That homemade bread that seemed to feed the whole town. You made an indelible impression on so many of us, BYG. I love you, dearly, and will miss you so much.
