“ Ray and family, I am so sorry about the loss of Betty. She was one of my favorite people. We had a lot of fun together and she had begin to come to our strom fellowship and I enjoy talking to her there. I have a lot of good memories of her and our days with the kids in school. She will be missed by you and your family I know and by many many of her friends. I pray that God will give you all the peace the comfort and the strength that you need. We love you

Dear Family: I was added to the family in 1973 when I married a nephew, Stanley Wilson. For a wedding present Aunt Betty and Uncle Ray sent Stanley and me a Copy of our wedding invitation copied onto a beautiful plaque I got to spend a lot of time around Aunt Betty at Lake Jackson I have been blessed to have married into a very loving family. I always thought Aunt Betty had the most sparkling eyes and rosy cheeks. She shared her personality of love through her eyes and rosy cheeks. She always shared her love. We will miss you but your memory lives in our heart
