“ *Linda I was sorry to hear about your mothers passing. She and your father Mr. Robert were good people. She always spoke to me and call me by my name. A lot of seniors do not do that. When she came a resident at NHC I always talk with her and she knew my father was there for rehab. she would ask me how is he doing. I will miss her and miss seeing her at the gas station when she left. What a great person she was. Praying for you Linda and your family.*
