*This is a tribute to my beautiful, wonderful, loving Mother. So many memories of you mama. As your daughter that loves you so much ,that will never forgot the unconditional love you gave to myself and my sister Teresa. You were a mom that had to work and not be with us in our growing up year every minute of the day. It took me growing up and marrying and having children of my own to realize how much my mother Betty Nunamaker meant to me. As a mother that had all of these traits unconditional love understanding, patience, caring, hard working, many arms and legs, A heart that is so big, has forgiveness for heart breaks. All of these mom describes the mother, sister, friend, wife( ex-wife), employee, patient and I am sure there are others. Mama as one of your daughte's Linda Maire Bodie Allen I will miss you so much. I know there will come a day I will see you again. HEAVEN is where you are now. Until that day come memories is what have. So as I want to say goodnight until we see each again. I will live as you always said, "ONE DAY AT A TIME."*

*“ We are so sorry for the loss of your mother Linda, your mom was a very sweet lady. May each of the family members find comfort in our Lord Jesus Christ during this most difficult time of your life. We remembered meeting her years ago when we went to Church together as we would go Christmas Caroling in her neighborhood. She now has no more pain and suffering and I just know that Perry Allen, Sr. was waiting on her as she entered Heavens Gates. The precious memories we have of our Loved ones will linger in our hearts forever. Love you and your family very much. Ronnie & Carol*
