“ *My favorite memory was the day Joey sprung it on her that he was about to be a father at 42, I barely knew her at the time and was very afraid she wouldn't be too thrilled. I held my breath for a response.....the biggest grin spread across her face, eyes lit up like a Christmas tree, her expression was one of someone who just won the lottery!! Not sure she finished her meal, think she drove strait to Dillard's to start buying baby clothes! She has been the best grandmother anyone could hope for, accepting her "bonus" grandchildren as her own as well. Bettye loved all of her grandchildren and that was very evident. She will be greatly missed.*

“ I hate to hear the bad news. You guys had a sweet mom. I hate I just found out about this. I was up in North Augusta today for a doctor appointment. I remember her teaching me a blessing when I was in here 6th grade class over at the Summerfield Elementary school. I still say that blessing over my food today. She probably taught me in GA's too at Immanuel Baptist Church. My thoughts are with you in this time. She will be missed.

“ I have so many happy memories of my first cousin, Bettye Anne, from childhood until the present. When Bettye Anne attended Lander College, we would bring her to our home, and Mama would cook all of Bettye's favorite foods, especially chocolate cake. I remember my sister and I serving mints at Bettye's beautiful pink wedding. At our annual Holloway reunion in April, Bettye said, " I will be "80" in September, and I do not feel "80" or think I look "80." We all agreed that Bettye certainly did not look or act "80." She lived a wonderful life of devotion to her Lord and Savior and is walking the streets of gold right now and having a happy reunion with all of her family and friends.

“ Bettye was our next door neighbor when we moved to North Augusta 25 years ago. I also had the privilege of working with her in the North Augusta High School family. She was a sweet, caring lady that will be greatly missed. She and I also shared pains as prayers as we both worked through our breast cancer diagnosis. Our family will miss her so very much and I am sure she is smiling down on those she loves as she becomes an angel to our Lord and Savior.

“ *Bettye and myself shared many good times. We visited friends in the hospitals and nursing homes and we went to the funeral homes to pay our respects to friends and family members. We shared lots of laughs together. We went to concerts and many movies together. She was a friend that loved you just like you were. We shared tears together. I will be blessed for the rest of my life for knowing her. I have known Bettye for. at least forty five years. She was a true friend to me. We had breakfast together at Krystal in North Augusta where we had formed a little breakfast club. I know that she is having a wonderful in heaven. LOVE YOU.*
