“ I just want to convey my condolences to you and your family in the loss of your loved on. I didn't know Mrs. Abbey personally, but I know the pain of losing a loved one. I found much comfort in reading the scriptures, especially Psalm 34:18. It is so encouraging to know that we are not alone at times like this. Many helped our family at the loss of my father, ones we didn't even know, so now I want to pay it forward. Remember what she taught you and then teach it to others and her memory will always be before you. Again I am sorry for your loss do take care of yourselves.
