“ *Thinking of you and with you in spirit as the service was taking place today. Since I live a couple of hours away, Beverly and I spent lots of hours sharing with each other by phone for quite a number of years - 15 or more until her memory issues grew worse. I have missed those phone visits with her. She was such a loving and caring first cousin. She's having the time of her life now.*

“ Mrs. Dowdle was a rare friend indeed. She befriended me at the early age of 18 . She was generous, kind & loving in every way. Even to the point of taking me to the beach with her children one weekend. I had never been on a vacation, much less to a beach. We were too poor. She always made me feel like family. She made a lasting impression on me of true Christ like behavior. I'm sure she is resting in the arms of our God and Savior forever !

Sincerely,
