“ When I saw the name I remember the Liles from Milledgeville Road as a young child; we were close in age. I lived in the white cape cod nextdoor until about 1960. we didn't stray far from the house as little ones, but on Valentine's Day we would make up a little Valentine, sneak it to the door and knock and run away before anyone would see us. - or at least we thought we were hiding. I Her dad, Mr. Lilse, killed a huge rattler one day for us that I will NEVER forget. Fond memories from a long-ago childhood. Beverly had a sweet smile in this photo and I feel sure her life was reflective of that. God bless.
