“ *In Remembrance of Aunt Billie:*

It would be her intention to send her love through Christ to each one who is grieving, and assure she is at peace. Aunt Billie could be full of wit and humor, and these are the times to remember her by, the laughter she once shared. She suffered a great tragedy when her only child "William Otto Stone" preceded her in death, this left a hole in her heart. Her only solace came from reading her Bible and drawing on her faith in the Lord, Jesus Christ. It is my belief that she is now at peace again, that she is in heaven with her son, and the rest of her loving family that awaited her there. Although distance and time prevent me from attending her graveside, she is in my thoughts. I send my condolences and prayers to her daughter in law Patti and her three grandchildren, Rebecca, Maggie and Christopher. She had moved to Austin, Texas to be near her son and family during his last years. She had worked at Fort Gordon as a book keeper until she took early retirement due to poor health. During retirement she had a love for flowers, gardening and most always had a cat for company. She lived in North Augusta, S.C. for all of her life until she moved to Texas to be by her son while she was in her 80's. After his death she did return to her place of birth and community of North Augusta, S.C. where she had lived all of her life, and she called home. May she now live in communion with her loving family and Heavenly Father. Love You Aunt Billie.....Debi
