“ *To Blanche: This world has truly lost one of the most caring loving women I have ever known. When I heard about your passing, all I could think about, was how you made people feel. While in your presence, you always made people feel they were important and you cared about them, surely a Gift from God.*

Now your home, I cant imagine the Joy you must have felt seeing Jesus & your family.

I rejoice with you but too, Harry, I am praying for you. I know how it feels to loose the love of your life, its hard. With my deepest sympathy, Carolyn G. Lever & Family

“ *I will miss you so much! You had such a sweet spirit...and such a fun way with you...you always made me laugh! I think your love of flowers and plants came from your Mom as mine did from mine. We would just talk hours about different plants and where they came from...such a special time. We just always seem to have such a comfortable way with us..No need to one-up...just enjoyed each others company. Know you are celebrating seeing Matthew. Until we meet again...We love You Martha and Bob*

“ My sweet sweet Blanche you will be missed dearly. You had such a giving heart to everyone you knew. I remember a time we were with Mom at the nursing home and you looked over and discovered Mom had a button missing on her shirt. You took out a pair scissors and cut one off you blouse sewed it on Mom's. Always thinking of others and giving constantly. You were such a strong Christian woman and I know you are celebrating in Heaven peacefully. My thoughts and prayers are with all the family that will miss you but your sweet spirit will remain in our hearts forever.

Going to miss you so much. You blessed our lives in so many ways. Neighbors for over thirty years made us family. Heaven has another Angel and Matt has his Mom with him now too. We will always keep you in our precious memories.
