“ It’s amazing how we loose touch with each other over the years. I had seen her at Walgreens several times on my visits back to North Augusta. She was always just the way she was when we lived down the street from each other. Her Mom taught me piano lessons back in the day. May peace be with her family during this incredibly hard time.

“ I worked at St. Joseph Hospital with Bonnie for many years. She was such a sweet person and always met you with a smile. A wonderful person that leaves a lasting memory to those fortunate to know her. Rest in peace and may God provide comfort to her family.

“ Bonnie was an amazing, constantly special person for her whole life. She was dedicated in her faith and all the tangents that came from that. Her work, her church, her friends, her steadfast devotion to each was remarkable. I will miss sharing the memories of growing up in Green Acres, NA, and then working at SJH.

Bonnie was one of the sweetest and most genuine friends that anyone could ever be blessed with. She had a heart of gold; and was so caring and giving. We worked together at St.Joseph Hospital during the mid 1980's; and have remained good friends since then. I will miss her sweet cards on my birthday and at Christmas. She is now with her Mom & Dad whom she loved and missed dearly. Sending prayers of peace and comfort to her family. Our loss is Heaven's gain. Bonnie will be greatly missed and always loved. Godspeed my dear Friend.

I was blessed to become friends with Bonnie when I started working at St Joseph in the late 1970's. She was always kind, thoughtful and made me feel welcomed and loved. I was thankful that our paths continued to cross through the years. She really was a precious person and friend.
