“ Jack, so very sorry to hear about your mother. I remember how when she came to Kmart she always tried to get stuffed toys out of the machine up front near the registers. Most of the time she didn't have to spend much before she had a toy. She was soft spoken and I know you will miss her.

I knew Bonnie years ago, her mother Mrs Mattie Stone (Big Mama) used to watch me for parents to work. I have always had fond memories of the Stone Family. I will keep you in my prayers during this time of sorrow.
