“ Our thoughts & prayers are with all of you during this difficult time. You have a lifetime of memories with Bonnie. One we will never forget is when we were in the Poultry Festival Parade with the chicken coop on the float. Also, making the Christmas candy. We can almost hear Bonnie & our Chris when they met again up there. Sometimes we don't understand why our loves ones have to suffer and leave us, but God knows what the future holds and always holds us in the palm of His mighty hand. May He bring you the comfort and peace that only He can.##imported-begin##Jerry & Dianne Craps##imported-end##

“ Dear Cecil and Family,
Bonnie was precious part of so many lives including ours. Her life will live on in the wonderful memories we shared with you both. We admire her courage and the relationships she shared with so many people. Anyone who truly knew Bonnie was blessed with joy. She was fun-loving, creative, and outgoing. She loved nature, flowers, and crafting. We won't soon forget the card-making and laughter, trips to the flea market, and Clayton eating joints. Tallulah River will hold a special place in our hearts because of the Bonnie and Cecil, but it will never be quite the same. We have kept you all in our prayers for the past 4 years and will continue to hold you and your family in our thoughts and prayers.
We love you,
Mark, Nancy, and Emily Kate##imported-begin##Mark, Nancy, and Emily Kate Bridges##imported-end##
