Bonnie was such a sweet, caring, and fun lady. I enjoyed working with her and hanging out with her. I will never forget how excited she was to be pregnant. Then came Sydney and her world was complete. Sydney was truly her heart. I am going to miss you ❤️❤️❤️❤️

*Bonnie,
I just found out that you have left us and gone off to new adventures. My heart hurts but I know that you were tired. They say everyone has there time and then just like that, they fly away. You are unlike anyone I have and will ever meet. The stars will shine brighter, life will seem more fragile, and you will live forever in my memories. I Love you BonBon*
