“ *We hit it off from day one. Remember that time at the Sweetwater Store I said "Damn Brandi, there was a girl in here just a minute ago that looked just like you" and you started laughing and screamed across the store and said "MOM, Josie just said there was a girl in here who looked just like me". OH how we laughed. We had been hanging out for a couple of weeks and you never told me you had a twin. No matter what the situation was, you were gonna have us laughing. I can hear you laughing now and I miss it so damn much. I wasn't ready to say goodbye.*
