“ One of my favorite memories of my neighbor Brenda was the creative Christmas wreath she made for my dogs. It was made entirely of dog biscuits and the biscuits could be picked one by one and given as treats. Brenda liked my dogs a lot, and we had another common bond in that we are both musicians. Brenda shared many stories with me about her flute playing and that she played in flute choir. I tried to get her to play in one of the groups I play with locally, but with her nursing career, we were never able to collaborate on this. Brenda was a wonderful neighbor and enjoyed spending time in her yard reading and tending to her plants and trees. She kept a full supply of bird seed and always had many feathered friends (and squirrels!) in her backyard enjoying the seed. I am glad to have been Brenda's neighbor for the last eleven years, and in her honor, I made a donation to Angels Among Us Animal Rescue of Atlanta, GA. May Brenda rest peacefully in Heaven.
Sincerely,
Katie Bennett
