“ *Brenda and I only crossed paths because of her nephew but it was a pleasure knowing her. I appreciate all the times she's helped us out. I just wish she and Braylen could have spent more time together. When they met its like they knew each other forever, he didn't even want to leave. Rest on Brenda... We know now you'll have rest and nomore sickness or pain. And to the Johnson and Rhyne families, I'm praying for peace and understanding for you all.*
