“ I must first start with how much I love and will miss you Brit. I cherish and will forever think of all the wonderful & priceless memories we shared. I was definitely blessed to be a part of you in your time here on earth my Angel. You and I had a special and loving relationship...that was to last forever. I can't find the words to say how hard and shocking it is to know your gone..I keep reminding myself I will see and be with you again when God calls me home. I love you so much and my heart has a big place you have.

“ *Brittany was a very sweet and beautiful girl. Although we didn't get to really hang out with each other from all I know about her she was a very kind person. I wish I would have had the chance to get to know her better. My condolences go out to her family and all of her friends. You will be missed and I wish I had more time to get to know you better as a friend.*

“ Brittany was my son"s girlfriend,{ Randy Rucker] she stayed with us for a little while. She was so sweet and Beautiful. I got up one morning Randy was at work but i went to the kitchen and she had washed all the dishes, i told her thaankyou, but i really wanted to hug and kiss her. My neighbor said she sure does take alot of pictures of her self, i told him if i was that pretty i would too. She is going to be missed by so many people, but i know she is heaven now .My prayers go out to her family for peace and strength.

“ Words seem so weak and frail at a time of loss like this. But, my heart is so saddened for Don, June, and the rest of the family at the loss of Brittany. Though I had not seen her much lately, she still held a dear spot in my heart as I know that she did in others as well. Such a beautiful person, I know she had to touch many with her smile and will live on in our memories. GOD bless the family and help them to heal, and GOD bless Brittany Nicole Prescott as well.

“ *Brittany always had a smile on her face... and something positive to say, regardless of the trials and tribulations that she faced... No matter. You couldn't wipe the smile from her face. She also had a way about her to make other peoples problems fade away with just a look, a kind word, or a phrase. She didn't want to see people hurt... She strived to lift people up... She wanted people to know their true worth. Brittany was such a sweet girl, all she ever wanted was to be loved. To be the one, you could always count on... Now she is gone... Our lives will never be the same, as She is now flying high with Angels past those Pearly Gates... Now life will never be the same... For there will Never be another Brittany Nicole Prescott, which is more than just a name.*
