“ I am so sorry to hear about Byron passing. I regret missing the funeral, but had an aunt pass away last Monday and have been with my mom since. Byron was one of a kind. I worked with Byron at SRS for many years. If I were ever down, Byron could bring me up, immediately. He will be dearly missed. I know Byron is now making a new crowd in heaven laugh and smile. I feel privileged to have known Byron and had him in my life. THANKS BYRON!!##imported-begin##Keith A. Burroughs##imported-end##

“ Marvis, Britt & Scott, I am so sorry to hear of Byron's untimely passing. Byron was a very special friend of mine having come to know him since 1991 at SRS when I transferred to his department, Waste Management. All the breakfasts we shared at Big Al's and all the miles we shared together traveling to and from SRS in our carpool will be the fondest memories I could ever have of anyone I know or have known. He always got me to laugh even I was down about something. He was my "best" buddy and a true friend. My heart and my family's go out to you during this time of sadness. I will remember him forever, Love,

“ Marvis and family,
I am so very sorry to hear about Byron's passing. I will really miss him alot. I'll never forget him because he really was a wonderful person. He trained me when I first came to DuPont. He was a lot of fun to be around and kept you in stitches with the stories he would tell. He told me the one about Mancheck (your doberman) waiting for you at the airport when you came back from Hawaii. He said that Mancheck was doing the hula. So many stories and memories. May God bless and comfort you during this terrible time and may your memories and the knowledge of the good he did bring some peace to you. “ Dear Marvis,

I was so sadden to hear that your beloved Byron has passed. I can not pretend that I know how it feels to lose someone as close as your husband. I do, however, know how it feels to lose someone very close to your heart. My only comfort was in knowing that they are no longer in pain and are now in a far better place than this earth.

I pray that God will be with you and your family, that he will comfort you during this time of need and bring each of you the inner peace you will need to get through this.

Please let me know if there is anything I can do for you. My thoughts and prayers are with you all.
