Mary and family, I was shocked to hear of Clyde's passing and I know you all must feel so lost and hurt. Clyde was a good person and he helped many people. He was not afraid of work and when the KWVA Chapter 255 was established he was very involved and responsible for bringing a lot of members in. He was so kind to my husband and family during my late husbands illness. I will always remember that. Please accept my condolences and know that I will be praying for all of you to find comfort in knowing that one day you will be with him again.
