

Cable Best

July 30, 1971 - January 5, 2023

North Augusta, SC –Cable Best, 51, went home into God’s presence on January 5th, 2023 after a long, courageous fight with sarcoma which he endured with faith, grit and humor. Funeral services will be conducted Monday afternoon at 3’clock from the First Baptist Church of North Augusta, Rev. Roy Kiser officiating. Private interment will take place in Westover Memorial Park. The family will receive friends at the funeral home Sunday afternoon from 4 until 6.

Cable was born July 30, 1971, in Augusta, Georgia. Cable was a man of abiding faith, and a devoted son, husband and father. He graduated from Clemson University with a degree in mechanical engineering, however, he was an avid Georgia Bulldog fan and loved college football. Cable enjoyed his work at Bose Corporation for over 20 years. He was preceded in death by his father, Thomas “Shorty” Best.

Survivors include his “rock and love of his life” wife of 26 years, Monica Best; children, Conner Best, Brooke Best and Cable Best II, mother, Peggy Best; mother-in-law, Darnell Taylor (Danny); numerous aunts, uncles and cousins.

“ *I knew Cable for many years as colleagues at Bose, though I got to know him more closely during the last few years. And, while it was obvious he was fighting a disease that was taking everything he had, it never diminished his positivity or radiance. Cable was a truly beautiful person; someone who always had a genuine smile when you saw him and who sincerely cared about all of those around him.*

I will deeply miss my chats with Cable. He was a wonderful colleague and friend, and I can only imagine what a tremendous husband, father, and son he must have been.

My deepest condolences to the entire Best family. My heart aches for your loss of such a wonderful man.

“ I knew Cable from a very young age growing up together in North Augusta. He was always kind, good natured, a steadfast friend and I remember him as a good athlete. From the photos of the tribute it looks like he had a full and blessed life and made the most of every day he was given with his beautiful family. My prayers go up for you Monica. I'm so sorry. “ I had the pleasure to work with Cable during my time at Bose. He was one of the most positive people I've ever had the chance to meet. Cable brought infectious joy to the room and was a dedicated and supportive leader at Bose. It was an honor to have worked with him, to have known him and to have called him a friend. My deepest sympathy to his family, who he spoke of often with pride and love.

“ I first met Cable shortly after joining Bose in July of 2018. He was the kind of person that, after you meet them, you never forget them. There was an attractiveness to life that caused me to enjoy all of our talks.

Soon after he started to fight, he shared with me what he was going through. Months later I was impressed to give him a book. I tried to ignore the feelings that I ultimately gave in to, as it was none of my business, and I felt that I was intruding. But non-the-less I couldn't get rid of the feeling that I should, so I did. The book was on Intermittent Fasting, one that he and his wife devoured, and many times Cable said that the fasting seemed to be helping him beat the odds.

I prayed for Cable and the family often, many times being woken at night. I regret never having met the family, but to know Cable was enough. Brave, courageous, loving, and faithful, I will never forget you nor the impact you had on my life, even for a short time that we knew each other.

Your friend,

Eric Pettes

“ Cable - I will never forget the trip that Tara & Dana & I took to visit you in Florida - we had so much fun with you and we all cherish the time we got to spend with you! I am so sorry that we did not keep in touch more as the years passed by after you & Monica moved to Boston and Nate & Zoe & I moved to Charleston but I always looked forward to hearing updates about you & your lovely wife & children from our family members! It is so unfair that cancer has taken you from all of us but we know you are finally at peace and free from all pain - you are now eternally in the arms of the Lord with the rest of our heavenly family! You will hold a special place in my heart forever, sweet cousin! I love you so much! -Amy Baker

“ *Though I never met Cable personally, I knew of him through my friend, Darnell Taylor, his mother-in-law. Weekly we prayed for Cable and saw many answers to these prayers from small things to big things happening on his behalf. We prayed that Cable's life would be a testimony of God's love and faithfulness and that many would be witnesses of that faithfulness. I thank God for giving Cable such a fighter mentality. His response to the next hurdle was always to advance rather than retreat. He inspired me with his beautiful attitude and can-do spirit. I believe that God has used his life in tremendous ways. I pray for comfort and strength for his family as they journey through this valley. God is there with you.*

“ I am so heartbroken to hear of Cable's passing. He was a complete ray of light, and brought an incredibly positive attitude every time he came in. It was my privilege to be a part of his care team at Dana Farber, and I will forever be grateful to him for teaching me (a fellow stage 4 Cancer fighter) to always look for the silver lining!! He always spoke so highly of his love for you, Monica as well as your 3 children. He told me he wanted to get you and your family settled back in SC and that he would be at peace knowing you would be surrounded by family and friends. He was truly one of a kind, and I am so sorry for your loss.

“ Subject: Cable Best - Will always be the Best

Hey Guys

Some of you had the joy of meeting Cable Best at the club through the years

I met him about ten years ago on the Tee Box and instantly wanted to know who this guy was .. I don't think I've met a guy with a better outlook on life than Cable and each time Cancer tried to take him down his resolve and gracious attitude was even more inspiring to witness.

As you know Cable seemed to have 9 lives and kept finding a way to beat the odds , yet this time he ran out of lives to borrow

I texted him last Saturday night wishing him a Happy New Year's Eve and he quickly responded with... Happiest New Years to You and Your Family ... Here's a guy in the hospital dying and he's wishing me a Happy New Year !!... That's Cable in a nutshell ..

We can all learn a lot from how he lived his life and took care of his family , recently moving back to Augusta Ga where he grew up so his wife and kids would be with family as he knew his days were numbered

He loved how the Peanut League embraced him and somehow, he was always smiling even when his lung was collapsing the last time we all saw him in the Library

image.png

I remember the last round of Golf I played with Cable on Sunday June 5th at 7:30 am , I never play that early , but for Cable I will..

Bob Maresca of Bose joined us and could not stop raving about what Cable had done for Bose over the last 20+ yrs

Thanks to all you Peanuts for putting a smile on Cable's face when he needed a moment to get away from reality , which in some way is why we all love HCC and the Peanuts.

This was Cable a few Years ago at the Peanut Pro AM at WeKoPa , once again smiling even though he was in pain

image.png

As the saying goes

*Yesterday's History
Tomorrow's a mystery
Today's a gift*

Live Life to the Fullest and Never take anything for Granted

Please give a toast to Cable and send Prayers to his family

My keyboard is all wet now , gotta go find some tissues

Godspeed

Steve

“ *Cable was an amazing person and all who knew him, I know would agree. His positive energy, infectious smile and southern charm made him an absolute pleasure to be around. A man who taught us many things and of most recent how to positively and courageously manage one's life during a major challenge. May the happy spirit he always carried be with all of us who are here missing him and let us keep in close memory all of the happy times we shared. To the Best Family - my deepest sympathies.*
