“ Heartbroken to hear about the passing of Mr. Willis. He indeed was a kind, generous man who was a wonderful teacher and mentor. I can still see him sitting on the bench during breaks and ACCTC....he and his sidekicks! Those are some very fond memories I will treasure. My prayers go out to Patsy and family. May the Lord wrap his loving arms around you and give you comfort 🙏

“ Calvin was one of the finest men I've ever had the pleasure to know. His gentle nature and kind soul will be remembered by many of his former students and co-workers. I loved his sense of humor! He brought much joy and laughter into my life while working with him at ACCC. Rest In Peace, my dear friend. Patsy, may God bless you during this time.

“ I am heartbroken to hear of Calvin's passing. His gentle nature belied a master craftsman and a caring Christian man. Many times I have known him to encourage reluctant students in ways that went beyond the job. Always a gentleman with a sense of humor, he could put together a mean fish fry at the Career Center too! Our prayers for the family.

“ Calvin was the first Aiken County Career Center teacher that I met just before moving to South Carolina and becoming the Computer Electronics teacher there. He was a great colleague, and a pleasure to work with, but most of all I was very proud to call him a friend. Rest in peace, my brother. My most heartfelt condolences to his wife and family.
