“ *Carley was always smiling when he was in my kindergarten class at Merriwether. He had a wonderful, free spirit that brought joy to my heart. He is now sharing that joy with the angels. When he returned to Meriwether this year, he would tap me on the shoulder, as he passed me at my lunchtable, to say "Hi!". His outgoing nature was very special.*

He was all about helping Grandma jennie with my tato, he was so precious. Our loss is Heaven's gain, he's probably tatoing angels right now. God bless you and your family, words cannot describe our sorrow for your loss.*
