“ *IN LOVING MEMORY. Jennifer, it hasn't been long since Carol went on her journey. I miss her all the time. I missed seeing her at all the family events. I always looked forward to seeing her. We had talks that only the two of us would share because we shared together the most precious thing in the world, our children & grandchildren. I loved the way she said my name. It was just so endearing to me. I am so thankful to God that I will be able to see her again one day. I am so thankful for the times we all shared together. She is always with us, in our hearts. And we will have a wonderful reunion with her one day at God's appointed time. Until then I smile in remembrance of Carol and thank God for all the memories cherishing our embraces.*
