“ It was a blessing to have Carol Ann in my life. We talked on the phone two to three times a month and each time she made me smile and brought joy to my days. She treated everyone with kindness and respect and I will miss her so much. I loved her and consider it an honor to have known her. My prayers are with her family now and in the days to come.

Nurse Carol came to the aid of my family about thirty five years ago and made a lasting impression on all of us. Her ability and sweet disposition made my mother's life much more livable, even pleasant. While I am the last man standing (so to speak) she will be remembered for her kindness and affectionate manner. I'm so pleased that I later came to know and become fast friends with Lannis and Laurie. This full circle has been a joy for me and Madeline. She joins me in a sincere expression of our heartfelt sympathy. All the best, Dudley Bowen
