“ I am Carol's first cousin. Her father, John Coon, was my mother's brother. Growing up years ago in Nebraska I remember visiting her family many times at Cowles. We are sorry to hear of her passing and send our sincere condolences to Carol's family. May God's comfort be with all of you during this time of sorrow at parting.

“ Hi Tim and Melinda, When Carol and Jack moved to New Jersey is when we met your lovely mother. Jack and John were wonderful friends since they met in the air force. They were able to continue their friendship when they became geographically closer to Delaware. We spent many happy times with them when you were small and thereafter. We remember a trip to Michigan for a reunion of the air force friends and their families. Carol was a beautiful, caring and intelligent friend and she will be greatly missed by all. Much love to you and your beautiful families. Our utmost sympathy is with you. Love, Marie and John Perrone

“ Dear Tim and Melissa ... So saddened to have learned of your Mom's passing. In the 1980s I worked with her and your late dad, Jack, at the Carl Kumpf School in Clark. They fave c the students their very best. They each were so willing to share their technology skills with the students and many of us on the faculty. As seriously focused and committed as they were to giving their all to others I also shall remember them both for their senew of humor and making everyone else feel good. My warmest good wishes to you and your families during this most difficult time for you. Sincerely,
Walter Borigt

“ Carol was a great friend to my Mother in law Sue Haig Sue spoke of Carol often and enjoyed spending time with her going to The Paper Mill Play House or just enjoying time in their kitchens talking about their children and grandchildren. I know Sue has missed her since she has moved and will miss calling and catching up with her. She was a good dear friend. Thinking of you all at this difficult time
