“ Susie - I never met your mother Carolyn, but it is obvious that she was a wonderful mom because her family is filled with beautiful people who loved her dearly. I know you will miss her greatly. How blessed we are at Lewis Memorial to be a part of carrying on her legacy through the Carolyn Belding Scholarship fund. By establishing this scholarship, her belief in young people and the importance she placed on their education will live on. This wise and generous woman has touched the lives of many today and for many more to come. Deepest sympathy to you and your family.

“ I remember fun times at the holidays spent with cousins, aunts, uncles and family we didn't see every day. Over the years a bond was formed, and in times of joy and sorrow we would come together. I remember Aunt Carolyn french braiding my hair, getting bubble gum out of my hair, and the kindness she showed me at my graduation, wedding, and birth of my children. She was forever thoughtful never missing an occasion with a card, or little circe for my boys. She will be missed, and I wish for Sam, Susie, and their families peace and love in the days ahead. I have a happiness knowing that she is reunited with the love of her life Uncle Tammy!
Much Love,
Amy

I remember so well my days of volunteering at University Hospital with Carolyn and particularly her year as volunteer president. She was a natural born leader and a very caring individual. Lots of fun times and laughter. So sad to read of her passing. My condolences to you Susie and Sam and your families.
