“ I remember her driving Deana and I to the beach while we set in the back seat eating Charleston Chews and other candy. She was a very trendy woman whom I'll never forget. "A MISS PRISS"

Carolyn and Scooter were both dear friends of mine back in the late 70's we were next door neighbors before they moved and remodeled the grand house on Hwy 23 . I always stopped to see them on my way to Hilton Head throughout the years. Got to see them in 2019 before Scooter passed.

This past year I stopped and found out Carolyn had sold house property and business and moved. I tried to find her. I guess it wasn't meant to be.

I will always remember her with much love her friendship meant so much to me back then when I was having challenges in my life. She was a bright light always making me laugh. I think of Scooter every time I cook oyster stew because he taught me his recipe. They were both wonderful Souls and will always be remembered with fond memories ❤️

Love and Blessings to all the family . So sorry for your loss Carolyn will be missed by All.
