“ Dear Reggie, Steve, Blair, and Lisa,
First of all, you are all in my prayers for peace that surpasses all understanding. My prayers are also lifted for Ted, who was the reason Daddy went to college and became an engineer! I always thought Carolyn was Jackie Kennedy's twin! Ted scared me too death flying over the city with one door not completely latched! I loved crossing the river to see my rich relatives.....memories from childhood! Your mom always made me feel beautiful and special, and wow how her smile lit a room! Big reunions are going on in heaven right now. I can't express how much it meant to me that some of you were able to come to Columbia when Daddy died and then so recently for Mama. Lisa, as the only daughters in our families, I say a special prayer. I am sure you know what I mean. I dearly wish I could be there with y'all to celebrate your mother's life. If there were any way, I would. Please give Ted a big hug for me. I hope that we can all get together soon and share memories of our times growing up! Your mom sure knew how to look classy on the ski slope. What a wonderful lady, who lived a long blessed life. My love to each of you.
