Angela and family- so sad to hear of Carolyn.growing up beside her with so many memories. From cutting her grass during the summers to chasing Dog taffy up and down the side fence. My fondest remember is when I hit a baseball and broke out her window. I was too scared to tell her . Who knew 2 days later the ball actually went through the window and landed in the dryer.. She told me that she wouldn't tell on me but I had to cut her yard free for the next three times . Always loved keeping her yard neat and full of flowers. You are all in our prayers and truly thankful for all the kindness to my family esp Mom ..You truly will be missed !....
