“ *Today is Easter and you were so missed, I can remember last year when you were here and we had such a good time. You were always here for birthdays, starting with Conner's in March, we were always together for most holidays starting with Easter for 17 and 1/2 yrs. , I really hate that this has to be the new normal for us, it is so wrong. I truly miss you and our talks and love of music.. I'm so sorry for what happened to you, it truly haunts me. I will do all I can to make sure that it doesn't happen to anybody else. You were such a light here so I know you are a bright light in heaven. Sending you big hugs & kisses! Love you Carrol*
