“ *Carter was my best friend in high school. We had so much fun doing absolutely nothing together. We'd read Gone With the Wind every summer and then every book we could get our hands on. We'd have midnight snacks, sleep until 1-2 in the afternoon, and then lay out by the pool at Miles motel and start all over again the next day. We shared good times and bad, loves and breakups. We had a friendship that never waned throughout time. When we saw each other we picked up right where we left off. I'll miss her, but I'm comforted by the fact that she lived and died just the way she'd want to. ##imported-begin##Sonnie Pulaski##imported-end##*

“ Carter and I were friends in high school.... she was a bridesmaid in my wedding, we were college roommates. We were together through thick and thin times....Carter had a skill for so many things and was so talented....She was a fabulous decorator and made each home that she had breathtaking.....she was a fabulous cook and taught me many tricks in the kitchen.....She loved reading, especially cookbooks! She was a great Mom with a lot of humor .....She loved her children and grandchildren so much and was so proud of them! She loved to shop and find a bargain! She was a great salesperson in her time and had a real talent for it...

The last time I saw her in Destin, she was extremley happy and we were looking at the beach reminiscing about all of our friends.....great memories! I'm so glad we had that time togeher! More than anythng, ....Carter helped me learn to always laugh at yourself, that there were times we thought were so serious and we would eventually crack up laughing! Most of all I will miss Carter, my friend....

God bless her family.....my thoughts are truly with them.

Love,

“ Oh Carter, I have so many memories of our times together. You were a true friend of my youth. We had some great times on our girl trips. Much shared laughter and tears. We always knew we had each others' confidence and support.

Sorry we didn't see each other these last few years but I thought about you many times and am so glad your later years were so happy.

Thanks for the memories, my friend. Love you.

“ Carter and I were truly been blessed. One of the greatest blessings God gave us was our three children. Carter and I often said our biggest wish for our children was for each of them to have just a part of what we had together. God also blessed us with a love very few have ever experienced, to say it was fantastic or unbelievable would not do it justice. What a great 30 years, that kind of love never dies. We literally burned the candle at both ends and before they could restore the power we just got lost. So we ended up divorced.

However we didn't miss a thing, you see we lived 60 years in 30. Lindsay, our youngest was born in the great state of Texas and they say it that great state, Carter really lived and she went out with her boots on. So to Carter, thank you for all those wonderful years together and for one of our greatest acts together, the true miracle of our children.

I will be unable to attend the services due to some medical problems of my own but want to thank all of Carter's friends and our family to be their for our 3 great children in this time of grief. Hopefully Marilyn and I will be back home in Augusta soon to thank you personally.
