“ Kitty was beautiful inside and out. We had so many good times together. I am so glad she was part of my life for many years. She was a wonderful friend, always there and ready to help if you need anything. She loved to sing and dance and have fun. She also loved her Heavenly Farther. She is with him now, because she was an Angle on earth, so I know she in in Heaven. I will miss her, but I will never forget her. I loved her and we will see her again one day.

“ I loved going with our parents to Leo and Kitty's house when I was a child. They were the sweetest couple.
