“ *Richard and Amy, I was so sorry to hear about Aunt Cathryn! I wish that I could make it down to SC for the service, but know that I will be thinking of you and the family, and will be holding you in my prayers in the coming days and weeks. Aunt Cathryn was a strong woman and I still tell stories about her to my kids! Hang on to those memories and share them often. They will bring laughter and tears....both of which are welcome and healing! Love to all!*
