“ *Charles was a friend of my late father and uncles. He stayed with us for a short while when I was in high school in the early 90's. He would work on my go cart for me. He even took me to Augusta to see the WWF once. He would always say or do something to make you laugh. I'm very saddened to hear about his passing. My prayers are with his family. -Brian Busbee*

“ He was my Daddy "diddy". My heart my soul. I loved him so much and always will forever and ever. He was my rock and role model. Words cannot express how dear he was to my heart. Fly high Diddy. I love you. You certainly earned your wings.
