So very sad a drunk driver changed the lives of 4 families. My grandson -in-law was in the front seat. Patrick McMahan was so excited Chuck asked him to partner for the fishing team. Racing was another thing they had in common and he was always talking about Chuck. My thoughts and prayers are with all 4 families involved.

“ Mary, I am so saddened to hear about Chuck's passing but so happy that you two found each other and got to have such a wonderful life and beautiful family. Chuck was such a good friend to me back in Kentucky and just a good guy. I certainly will never forget that great smile of his. We certainly had a lot of good times together and I will always have fond memories of him. Rest in Peace my friend and Mary you and your family are in my prayers.
