“ *Gene,. David and Howard were old friends of Bob and Joe Mumpower in Bristol, Virginia many years ago. Bob passed away eight years ago. I just was reading the OBITS and there I found Gene. I am sorry to hear such news, ALL THE COFFEES were special people back in the early days. I am 77 living as a snow bird in Muncie, Indiana and Hollywood, Florida. I retired from Ball State University. If either David or Howard reads this, have them to contact: Joe Mumpower@aol.com*

“ *I would like to express my condolences to the family on the loss of your loved one. May the God of Peace, Jehovah, help to ease your grief and always be beside you as you continue on through life. (Psalms 55:22; 1 Thess. 5:17)
Hoping it helps to know that others care and share your loss.*

“ Pam, I am so sorry to hear of your loss whilst I was in England. I know you will have many mixed feelings at this time and despite the difficulties of the recent past will miss him terribly. I will remember him with affection and for the 'friendship' that he and Judy clearly had in their unique way and for your strength and comfort to both of us. My sister, Caro and Judy's sisters send their condolences also. Thinking of you and your family at this sad time.

“ Gene worked with me at DuPont in the 1960's in a very exciting period after we invented the explosive welding process. He made valuable inputs to our coinage cladding effort in which we produced 36,000 tons of the sandwich metal that went into the nation's dimes, quarters and halves. He also provided important input to our nuclear power effort that produced items for the nuclear power plants Westinghouse installed in France and Spain.

While our work took us in different paths, we remained good friends through the years and continued correspondance through the years. He'll be missed.

I'm glad I had a chance to meet Pam and correspond with her through this difficult period in Gene's and her life. God bless.

“ Pam, Eve, and Janna, I am so sorry for your loss. Gene as you already know was such a kind and wonderful person. One fond memory I have of Gene is having Thanksgiving dinner a couple of time at the house in Atlanta. Also, having dinner at the Thai place in Sandy Springs. Gene would always get curry! Thank you Gene for the fond memories.

Pam you were married to such a sweet man. It was a privilege to have been his friend. The two of you have been on a long journey and how blessed he was to always have you by his side. Love to you both.
