“ *The night in Yokosua Bubba and I stayed up all night making Carolina BBQ at my house. About 0600 Bubba went home to make the sauce. He didn't want me to see the secret ingredients. Said it had been in his family back in North Carolina for generations and he was sworn to secrecy. He may have been right, best damn Carolina Bbq i ever had.*
RIP my good friend you are missed down here. We will all be together again at some point

“ *On your eternal voyage, each day will be fair, the nighttime will always be clear with azure seas and a steady breeze, a million stars will help you steer. Assuming the watch at the Golden Helm, you plow through the billowing clouds, God is on the bridge by your side, smiling and standing proud...*

“ Always a joy, forever in my heart. The sweetest friend, the dearest friend. Speak to me in riddles, shake your head and grin because you always knew you "had me" again. Play those heavenly mandolins, banjos and guitars; raise your voice in melodious song; give God the glory. Sailing on the ship of the Savior, never to disembark, through all eternity.
