“ *I'm truly saddened to hear of Charles' passing, but I know that he and my Dad are probably harmonizing in heaven right now. Godspeed Charles...*

“ *You have always been the light of my life, the best granddaddy a girl could ask for. I will cherish the stories you've told, the songs you have beautifully sung, & the funny things you have said. I will forever miss walking through your front door and seeing you sitting in your chair.. but what I will miss most is hearing "I love you Bethany"..*

I told Charles today that I bet you are probably driving around in heaven looking for an Arby's chocolate milkshake.. :)

I love you Charlie and I miss you more than words could ever say...
