I was stationed w/Chuck in Co. Spgs, Co at the Air Force Academy 2 + years. He was my senior by 12 yrs. Never having a brother- Chuck was the closest person I knew to being a brother to me. During our off hours we were either fishing, or bow hunting. Of all the places we went, or the things we did Chuck was always a gentleman. Always having a kind word to say regarding others -I learned a lot from this man. I've kept in touch regularly w/Chuck since 1968 and I'll miss hearing his voice- his laughter. I'm happy to have had the privilege to have known him.

“ My heart is broken. I loved my second family that took me in as a little girl and let me share so many precious memories. They included me in so many events especially when going to L&M and eating hamburgers, our Sunday rides taking pics, and even teaching me to drive the model T auto. Too many memories to post but not forgotten.
