“ Steve and Family, I love your mom and dad. They were always so energetic and enjoying each other. We use to eat on Sat mornings at Sunrise with them and talked about the old days that he worked at the Site, travel and just funny stories. I remember one day I was at NHC and saw him and was surprised. I started talking with him and he told me that he was checking things out because that was going to be his home because he knew your mom wasn't going to be able to take care of him and she needed some rest. They loved shopping at Dollar Tree and we had good chats there about Colleges and games. I know that you will miss him, and your mom even more. When we lose someone we may lose them from this earth but their memories are always with us and we always remember the good times. I pray for Peace, Comfort and Strength for the family during this time. Give my love to your mom.
