“ *Celeste,
I want to thank you and your family for the care you have shown my
Mother (Evelyn Bussey) in the time you have been her next door
neighbors. The boys, as well as Chuck and you have always been
there for her. Chuck was a special person to my Mother as well as
your whole family. To share with you if I may; One night Mom called
me pretty late and told me that her cable was out. I loaded up and
drove from Aiken to fix the problem. When I arrived Chuck was here
along with the boys to come to Mom's rescue. Mom loved her
Television. The presence of them warmed my heart. In life you can
become wrapped up in your own everyday life, but ya'll have always
had time for others.
I am now your next door neighbor and the memories of Chuck will
be EVER present on this Street. Chuck as well as your WHOLE
family will always be very dear to the neighborhood as well as to
myself and my Mom.
Celeste, I hope that if you ever need a friend, you can realize that
she is just next door.
Love to you, Nick and Adam,
Tish###imported-begin###Letitia (Tish) Bussey###imported-end##*

“ Although I have only been friends with Chuck and his family for a few years, the impact on my life he has made has been significant; Chuck was truly a person one could admire and I certainly do. His honesty and ideals, his personality were genuine and to the core. Right and wrong were not vague, abstract ideas, but tangible laws to live by. As I tell him and his wife, they are the luckiest, wealthiest couple I have ever known and in a time of misanthropie, gives hope to others...Chuck would not want a great drama made of his passing, and I know he appreciates all the out pouring of emotions for him. In such, equal attention should be given to his greatest achievement, his family. There was nothing of more importance than providing for his family...and I don't mean material objects. His three sons and wife were always on his mind, even before his illness. He never took them granted and always cherished all of them. I am blessed to have spent so much intimate time with such a great man and he teaches me still... I have to reiterate that it would be a grave disservice to his honor by mourning for him to excess, my friend is one to exhalt. I Love You, Chuck.##imported-begin##John Busbee##imported-end##
