

Charleston Firefighters

June 18, 2007

Stephen D. Posey Funeral Home of North Augusta has erected a memorial wall honoring the nine firefighters who gave their lives fighting the fire at the Sofa Super Store in Charleston, SC late Monday evening. The public is invited to visit the memorial and sign a memorial book that the funeral home will send to the fire companies in Charleston.

These firefighters will be remembered for their bravery, heroism and dedication to the community. Please remember to keep their families in your thoughts and prayers.

The memorial will be available to the public at our funeral home from 9am to 5pm each day. The public is welcome to visit and to show our community's respect for the firemen and the sacrifices they have made. This memorial will remain in place through Monday, July 9, 2007.

Anyone wanting to donate money to the firefighters' families can make a donation at any Bank of America location or send money to: The City of Charleston Firemen's Fund, P.O. Box 304, Charleston, SC, 29402.

“ Our hearts go out to each family member of our lost heroes. Our son Al Gunter a Paramedic lost his life on Feb. 6, of this year in a horrible accident. Charleston showed their love for our son by attending his funeral service and sent two units here to help with a Memorial Bike Ride. As I watch the news I cried for each one of you and felt the pain you are feeling. When I thanked one of the guys who came from Charleston to help with the Bike Ride, he said no need to thank me, we are all brothers. This was not the first time we had heard this, now we mourn with each of you for the loss of our brothers. You all will be in our hearts and prayers.
