“ To my sissy,
Thank you for taking care of me when I was younger. You took me to my first concert, kiss. You showed me how to water ski for the first time. You showed me how to use a 35 mm camera, take pictures, and enjoy the outside. You took me to my first milk dairy, "your welcome". I showed you how to do freshman college chemistry, and by the next year you had to help me, " thanks". I thought we had more time..... I am so glad you got to go see travis and family, before you went away. I know you were happy. I will miss you so much, thank you
