“ Cherry was a special person that cared about everyone she knew. She took wonderful care of her parents as they aged. Her heart was broken when Shawn was sick and went to be with Jesus. Now they are together again. She loved all her children dearly and loved to brag about her precious Grandchildren. Heaven has gained an Angel and those of us will miss her on earth.

“ We were so very sorry to hear about Cherry's passing. She was one of the most peaceful, calm, and sweetest persons we have ever known, and we were blessed to be neighbors and friends. Some of our favorite memories are in our “Loblolly cul-de-sac”with all of our kids, their “big wheels” and bikes...and, of course, Lauren appearing at the back door with a lollipop in her mouth! Sweet memories include Marlo (the youngest Capeletti)supervising everyone in the neighborhood when she was still in diapers! Meredith and Traci were extremely patient with the younger ones and great “spotters” of oncoming cars! Rob was always in everybody's way, and Shelby was always seeking animals in need and worrying about someone getting hurt.....maybe she worried that the moms were jabbering too much to be watchdogs (NOT the case with Mama Cap being in charge of us all!). Those precious memories will never leave us! Please know that you all are in our hearts, thoughts, and prayers. Cherry will be missed by all who knew and loved her.....she was so special! “ Cherry was always a caring and loving person. She was the backbone of my medical practice in the earlier years before the hospital took over. She will be long remembered.

“ *Meredith, Lauren and family I am so saddened to learn of your mother's death.*

We go way back with memories from Holy Trinity, Meredith and Gina in kindergarten, Cherry and I sitting in the yard visiting while Meredith and Gina were having their dancing lessons with Frances Steven's. In later years Cherry, Zoe and I going out to eat together. May the Peace of the Lord be with you all.
