“ *Our thoughts and prayer go out to Evelyn and the Skipper family with the passing of Chester. I worked with Chester at SRP many years ago and had not seen him since. He taught me a lot about being a pipefitter and a friend. He was all about having fun while we worked. Chester was a man of his word. A good welder. I am glad for the memories of our days working together. Emily and I hope and pray the Lord will comfort and guide the Skipper family in this time of loss.*
