“ *First, my condolences to the family of Chief Hamilton. Chief Hamilton was a well respected man. He was fair and gave everyone he came in contact with the most care and concern. My son loved him. He would always stop by my mother's house and say hello and encourage him. Two weeks ago, he was standing beside me explaining wireless networks. It's so hard to believe he is gone. I could go on for days about the type of person Chief Hamilton was, but I will just say thank you for everything he did for the Dixon Family!!!!*

“ Our deepest sympathies on the loss of a good man. We knew Johnny on a personal level more than a business one, and he was always a pleasure to talk with when he would come into the Hook-N-Bullets store we ran outside of town. We always noticed how caring he was with the young children in town during things like parades, ballgames, etc. He will be greatly missed. God Bless your family with peace during this difficult time.##imported-begin##Mike & Deanne Lynn##imported-end##
