“ *Aunt Bessie,
I am truly sorry for our loss of Chris. And I don't know why you have been given so many hard things to endure. But I want you to know that I love you and I am so grateful to have been a part of your family. Chris and I got to visit in Williston not long ago and I'm so glad we got to reconnect after so many years. He is in good hands now and will be richly rewarded for the goodness of his heart.*
