“ I just saw this about Teen's passing into Heaven. She has been a loving Memory all my Life. We used to look forward to her coming back to Roxboro as I remember usually at Christmas Time. She was such a vibrant & happy person and fun. She told me a few times about being outside with Onie Mitchell Garrett when I was born. I'm praying for her Family. With Love, Mitchell Russell

I met Christine for the first time at a Hamlett family reunion while she was still living in Roxboro. It is definitely my loss that we only knew each other for a short time because we immediately connected and even exchanged messages online until after she was moved to hospice. She was so delightful, fun and always had a positive outlook. It would have been wonderful to have known her for a lifetime. Rest in peace, my cousin and friend. Edith Hamlett Stutts
